Community	Action in Montgomery	We organize to build power and do justice in low and moderate income communities in Montgomery County.
Community	CASA de Maryland	CASA's primary mission is to create a more just society by building power and improving the quality of life in working class and immigrant communities. CASA does this by organizing, advocating for, and helping expand opportunities for Latino and immigrant people across Maryland, Virginia, and Pennsylvania. We do this by providing employment placement; workforce development and training; health education; citizenship and legal services; and financial, language, and literacy training to Latino and immigrant communities throughout the region.
Community	Maryland Alliance for Justice Reform	We are working together to address the problem of mass incarceration in Maryland in several ways. We invite you to join us to accomplish our goals: to fully support alternatives to incarceration where appropriate; to save taxpayer dollars and reallocate the savings to build safer communities; to strengthen Maryland communities by supporting families, helping people returning from jails and prisons lead productive lives, and preventing crime; to end inequities in our justice system.
Community	National Alliance on Mental Illness Montgomery	At the National Alliance on Mental Illness of Montgomery County MD (NAMI MC), we envision a future where all people affected by mental health conditions live healthy, fulfilling lives supported by a community that cares. To reach this vision, we build communities of peers to provide support, education, and advocacy for all affected by mental health conditions. Our communities of peers include people living with mental health conditions, their caregivers and families, and allies.
Community	ScholarChips	Scholarchips provides college scholarships, mentoring and a peer support network to children of incarcerated parents, inspiring them to complete their college education.

Quaker	American Friends Service Committee	The American Friends Service Committee is a Quaker organization that promotes lasting peace with justice, as a practical expression of faith in action. Drawing on continuing spiritual insights and working with people of many backgrounds, we nurture the seeds of change and respect for human life that transform social relations and systems.
Quaker	Friends Committee on National Legislation	The Friends Committee on National Legislation lobbies Congress and the administration to advance peace, justice, opportunity, and environmental stewardship. Founded in 1943 by members of the Religious Society of Friends (Quakers), FCNL fields an expert team of lobbyists on Capitol Hill and works with a grassroots network of tens of thousands of people across the country to advance policies and priorities established by our governing General Committee. FCNL is a nonpartisan organization that seeks to live our values of integrity, simplicity, and peace as we build relationships across political divides to move policies forward.
Quaker	Friends General Conference	We envision a vital and growing Religious Society of Friends—a faith that deepens spiritually, welcomes newcomers, builds supportive and inclusive community, and provides loving service and witness in the world. Through Friends General Conference, we see Quakers led by the Spirit joining together in ministry to offer services that help Friends, meetings, and seekers explore, deepen, connect, serve and witness within the context of our living faith.
Quaker	Friends Peace Teams	Friends Peace Teams is a Spirit-led organization working around the world to develop long-term relationships with communities in conflict to create programs for peacebuilding, healing and reconciliation. Friends Peace Team's programs build on extensive Quaker experience combining practical and spiritual aspects of conflict resolution. There are currently five initiatives of Friends Peace Teams: African Great Lakes Initiative (AGLI), Asia West Pacific Initiative (AWP), Peacebuilding en las Américas (PLA), Toward Right Relationship With Native Peoples (TRR), and The Friendly Book Collaborative (FBC).

Steps from the U.S. Capitol, William Penn House provides friendly hospitality, comfortable accommodations and a welcoming space for meetings and events. Through spirit-led experiential education, creative engagement and opportunities to experience inclusive community, we move people of all ages to share and develop their gifts to build peace, justice and equality.
